December will be a short month, with a lot of activities planned at preschool!

This month we will be learning the numbers 7 & 8, the letters O and Q. Our shape this month is the star.

We will be welcoming families to our Preschool Christmas Program on Thursday, December 15. Our **morning classes program will begin at 6:00pm** followed by the **afternoon class at 7:00pm**. Please arrive no earlier than 10 minutes before your child's class start time!

A friendly reminder to label coats and hats, some look similar to each other and the children are not always sure which coat belongs to them.
