We would like to thank the Parents Club for planning our Preschool Harvest Party. Thank you also to all who participated in the fundraiser and to those parents who helped unload and sort fundraiser items!

In November we will be focusing on Thanksgiving, family traditions and harvest time. We will begin a weekly bible moment this month as well.

Our letters this month will be F, E and H. Yellow and Brown are our colors and our shape for this month is the triangle. We will be learning the numbers 5 & 6 this month.

Helpful Hints and Tips

Working on getting coats and jackets on, zipping/buttoning them at **home** will make a smoother dismissal time at preschool!! Here are a few tips...

The Magic Coat Trick...

Place coat on the ground with inside facing up, hood/collar closest to child's feet. Then have child put hands (up to forearms) in holes and flip over head. Viola, Coat on!!!

The Hood Trick...

Have child put hood on head (hanging behind like a cape). Then put arms in arm holes.
