December will be a short month, with a lot of activities planned at preschool!

This month we will be learning the numbers 7 & 8, the letters O and Q. Our shape this month is the star.

We will be welcoming families to our Preschool Christmas Program on Thursday, December 19. Our program will begin at 6pm. Please arrive no earlier than 5:45pm. Preschoolers may wear casual Christmas attire!

A friendly reminder to label coats and hats, some look similar to each other and the children are not always sure which coat belongs to them.

December 19 - Pajama Day (wear your pj's to school)
