December will be a short month, with a lot of activities at preschool!

This month we will be learning the numbers 10, 11 & 12, the letters P, R & D. Our shape this month is the star.

We will be welcoming families to our Preschool Christmas Program on **Thursday, December 19**. Our program will begin at 7:00pm in the sanctuary. Please arrive no earlier than 6:50 pm, we will begin as close to 7pm as possible. Children may wear casual Christmas attire!

A friendly reminder to label coats and hats, some look similar to each other and the children are not always sure which ones are theirs.
