## Community Preschool 4's class

Monday	Tuesday	Wednesday	Thursday	Friday
31	1	2	3	4
	<b>No School Spring Break!</b>			
7 Don't Touch that Flower!	8 	9 Color Mixing Fun	10	11 Numbers 1-20 review
14 Alphabet review	15	16 Bye-Bye Litter! ~ Chapel Time	17 	18 
21 Grow a Plant! For Earth Day ~ Address week!	22 	23 An Itsy-Bitsy Nest ~ Bookmobile ~ Planting Time @ Leiber Center 6:00	24	25 Would You Eat a Plant?
28 Walking to Ward Park Wear preschool t-shirts!	29	30 The Mystery of the Blue Honey!		

We have officially finished our alphabet and numbers (1 – 20). We will use the rest of our time together reviewing all that we have learned.

Earth Day is Tuesday, April 22. We will be planting marigold seeds. We will watch them sprout and then they will go home to be planted outside!

Reminder! It's not too late to begin teaching your child a very important life skill- knowing their address. The week of April 21 is when each child will be given the opportunity to successfully recite their address. When they have accomplished this, they will be given a prize!

Our annual St. Jude's Trike A Thon will be Friday, May 2. On this day your child will be asked to bring their bicycle/tricycle AND their helmet. **Children will not be allowed to participate if they do not have a helmet.** More information to come home soon.

May 7 is our trip to Aullwood Farm, both morning and afternoon classes will be visiting the farm at the same time- 9:00 am to 12:00. *Each child must have a parent or guardian accompany them to the farm. You must provide transportation for your child. No siblings. If you cannot attend or find an adult to take your child to the farm, please let us know ASAP.* We have parent volunteers who may be able to help. More information will come home soon.
