See notes on back ➔

We would like to thank the Parents Club for planning our Preschool Harvest Party. Thank you also to all who participated in the fundraiser and to those parents who helped unload and sort fundraiser items!

In November, we will be focusing on Thanksgiving, family traditions and harvest time. We will begin a weekly bible moment in November as well.

Our letters this month will be C, G and S. Yellow and Brown are our colors and our shape for this month is the rectangle. The numbers 7, 8 and 9 will be introduced this month as well.

Helpful Hints and Tips

Working on getting coats and jackets on, zippering them and buttoning them at home will make a smoother dismissal time at preschool!! Here are a few tips...

The Magic Coat Trick...

Place coat on the ground with inside facing up, hood/collar closest to child's feet. Then have child put hands (up to forearms) in holes and flip over head. Viola, Coat on!!!

The Hood Trick...

Have children put hood on head (hanging behind like a cape). Then put arms in arm holes.

Important Dates

November 3-6 – Conferences: evening

November 24 - Pumpkin Pie baking

November 26 - 28 - No school, Thanksgiving Break

December 18 - Christmas program, evening

Please feel free to contact me with any questions or concerns.
